

CALL FOR PAPERS

INDUSTRIAL ORGANIZATION IN THE DIGITAL ECONOMY

March 10-11, 2017

Liège Competition and Innovation Institute (LCII) & HEC Liège, University of Liège
Center for Operations Research and Econometrics (CORE), Université Catholique de
Louvain

Keynote speaker

Markus Reisinger (Frankfurt School of Finance & Management)

This two-day workshop is targeted at PhD students and young postdoctoral scholars with an interest in the industrial organization of the digital economy. We welcome empirical and theoretical contributions related to the following (non-exhaustive) list of topics: multi-sided platforms, big data, net neutrality, digitalization of payments, internet advertising, user-generated content, digital piracy, economics of privacy, reputation and recommender systems, open source software, sharing economy, patents and innovation, etc.

Scientific committee

Paul Belleflamme (CORE, UCL)

Johannes Johnen (CORE, UCL)

Axel Gautier (LCII, ULg and CORE)

Nicolas Petit (LCII, ULg)

Markus Reisinger (Frankfurt School of Finance and Management)

Registration

Information on the workshop location, registration and accommodation will be available at <http://www.lcii.eu>

Local expenses will be covered for the speakers (one speaker per paper presented).

Venue

HEC Management School, Rue Louvrex 14, 4000 Liège, Belgium
